

Disc (Frisbee) Basic Golf Rules

Disc golf is played like traditional golf but with frisbee's instead of balls and clubs. One throw is counted each time the disc is thrown.

Guidelines for Play

- The goal is to play each hole in the fewest throws possible
- The hole is completed when the disc comes to rest in a disc golf basket
- The player with the least number of throws on the previous hole is the first to tee off on the next hole
- After all the players have teed off, the player whose disc is farthest from the hole always throws first
- The player with the lowest total throws for the entire course wins

Disc Etiquette

- Stand behind the player who is throwing until the throw is complete
- Do not alter the course (trees, shrubs, etc.) in any way
- As a courtesy, please return Village of Carbon frisbees to the 1st hole basket for the next players to use
